

We can't wait for World Masters Games 2017 to start, and the Opening Ceremony at Auckland's iconic Eden Park stadium will be a true highlight of the Games.

Whether you've been to a World Masters Games before or are new to the team, it's going to be an amazing occasion. Be prepared for a light and sound spectacle including the largest laser light display New Zealand has ever seen. There will be unforgettable cultural performances and the customary athlete parade celebrating the 28 sports of the Games and all the competitors and supporters taking part.

The Opening Ceremony takes place on 21 April with gates opening at 5:30pm. You can find out more details [here](#).

To help us confirm numbers, plan seating arrangements and transport, we need your help in completing a very quick [survey](#). Complete the survey by 5pm on Friday February 10 2017 (NZT) and you'll go in the draw to win an upgrade to a Gold participant package*.

Thanks in advance for your help. We really appreciate it.

Team WMG2017
